Re: *In re Synchronoss Techs., Inc. Sec. Litig.*, No. 3:17-cv-02978 (ZNQ) (LHG)

Dear Judge Quraishi:

Counsel for Lead Plaintiff Employees' Retirement System of the State of Hawaii hereby submits this letter to request that the Court approve the initial distribution of the Net Settlement Fund in the above captioned matter.

On December 8, 2021, the Court issued its Final Judgment and Order of Dismissal With Prejudice, finally approving the class Settlement reached between the parties and directing the implementation of the parties' Settlement Agreement.¹ (ECF No. 173). On December 10, 2021, the Court issued an order approving Lead Counsel's Motion for an Award of Attorneys' Fees and Expenses and Award to Lead Plaintiff (ECF No. 175).

The Court also appointed a claims administrator for the Settlement, Epiq Class Action & Claims Solutions, Inc. ("Claims Administrator"). The Claims Administrator has now completed its review of the claims that have been submitted by Class members, has made its recommendations

with respect to those claims in an accompanying declaration, and is ready to make an initial distribution of the Net Settlement Fund. We are therefore seeking an Order from the Court authorizing the initial distribution of funds.

Pursuant to the Settlement Agreement, Defendants deposited the Settlement Amount of \$19,000,000.00 in an interest-bearing escrow account with the Escrow Agent, Huntington Bank, on September 23, 2021. After the deduction of Court approved attorneys' fees and expenses totaling \$3,333,186.13, and the award to Lead Plaintiff (\$33,742.00), the balance of the Net Settlement Fund was \$15,633,071.87. Subsequent tax payments of \$23,515.00, and payments to the Settlement Administrator of \$141,165.56 brought the balance to \$15,468,391.31. Interest payments have grown the balance in the account to \$15,665,903.96 as of May 12, 2023. Further payments will be made to the Claims Administrator, including \$195,067.20 to satisfy an outstanding balance of \$165,447.70 and to cover the \$29,619.50 estimated cost of conducting the initial distribution.

We respectfully request that the Court approve the determinations of the Claims Administrator regarding submissions made by putative Class members, and approve distribution of the remaining funds to the Authorized Claimants, which are detailed in the Declaration of Joseph V. Martino ("Martino Decl.") enclosed herewith. We also recommend that the Court approve the rejection of the six Disputed Claims outlined in ¶¶ 15-19 the Martino Decl., based on Lead Counsel's review of the disputed claims, detailed in ¶¶ 5-7 of the Declaration of Rebecca A. Musarra in Support of Approval to Distribute the Net Settlement Fund ("Musarra Decl.").

Enclosed herewith is (1) the Musarra Declaration; (2) the Martino Declaration and (3) a proposed order Approving Distribution of the Net Settlement Fund. The proposed order provides for the acceptance of the determinations of the Claims Administrator and authorizes the distribution of the Net Settlement Fund to Authorized Claimants whose payments equal or exceed \$10.00 on a *pro rata* basis based on the Authorized Claimants' Recognized Losses, as determined by the Plan of Allocation. If the foregoing is acceptable to the Court, kindly sign the Order and have a "filed" copy returned to us via the Court's ECF system.

Thank you for your attention to this matter. If the Court has any questions, we are available at your convenience.

Respectfully submitted,

CARELLA, BYRNE, CECCHI,
BRODY & AGNELLO, P.C.

Class Action

THIS DOCUMENT RELATES TO:

ALL ACTIONS

**DECLARATION OF REBECCA A. MUSARRA IN SUPPORT OF
APPROVAL TO DISTRIBUTE THE NET SETTLEMENT FUND**

I, Rebecca A. Musarra, principal at Grant & Eisenhofer P.A, (“Grant & Eisenhofer” or “Lead Counsel”),¹ submit the following declaration in support of Lead Plaintiff’s letter requesting approval to distribute the Net Settlement Fund.

1. I am a principal of the law firm Grant & Eisenhofer, which is the Court-appointed Lead Counsel for the Class, and counsel for Lead Plaintiff Employees’ Retirement System of the State of Hawaii (“Lead Plaintiff” or “Hawaii ERS”). I have been actively involved in the prosecution and resolution of this Action and am familiar with its proceedings. I have personal knowledge of the matters set forth here based on my active participation and supervision of material aspects of the Action as well as my discussions with my colleagues at Grant & Eisenhofer, with the Settlement Administrator, and with the Escrow Agent.

2. On December 8, 2021, the Court issued its Final Judgment and Order of Dismissal With Prejudice, finally approving the class Settlement reached between the parties and directing the implementation of the parties’ Settlement Agreement. (ECF No. 173). Pursuant to the Settlement Agreement, Defendants deposited the Settlement Amount of \$19,000,000.00 in an interest-bearing escrow account with the Escrow Agent, Huntington Bank, on September 23, 2021.

¹ Unless otherwise defined, all defined terms used here have the same meanings as set stated in the Stipulation of Settlement (“Stipulation” or the “Settlement Agreement”) (ECF No. 162-3).

3. On December 10, 2021, the Court issued an order approving Lead Counsel's Motion for an Award of Attorneys' Fees and Expenses and Award to Lead Plaintiff (ECF No. 175). After the deduction of Court approved attorneys' fees and expenses (which totaled \$3,333,186.13), and the award to Lead Plaintiff (\$33,742.00), the balance of the Net Settlement Fund was \$15,633,071.87. Subsequent tax payments of \$23,000.00 (April 2023) and \$515.00 (May 2022), and payments to the Settlement Administrator (\$141,165.56) brought the balance to \$15,468,391.31. Interest payments have grown the balance in the account to \$15,665,903.96 as of May 12, 2023. Further payments will be made to the Claims Administrator, including \$195,067.20 to satisfy an outstanding balance of \$165,447.70 and to cover the \$29,619.50 estimated cost of conducting the initial distribution.

4. I have reviewed the determinations made by the Claims Administrator regarding submissions made by putative Class members. Based on my review and pursuant to the Plan of Allocation, Lead Counsel recommends that the Court adopt the Claims Administrator's determinations and approve the distribution of funds to the authorized claimants.

5. I have also reviewed the Claims Administrator's determination to reject the six Disputed Claims outlined in paragraphs 15-19 of the Declaration of Joseph V. Martino ("Martino Decl."), filed herewith.

6. Having considered these Disputed Claims, the correspondence submitted to the Claims Administrator from the claimants, and the Plan of Allocation, I concur with the Claims Administrator's conclusion that these six disputed claims were correctly rejected under the Plan of Allocation, and recommend the Court approve the rejection of these claims because Disputed Claim Nos. 1-6 do not have Recognized Losses based on the Plan of Allocation. More specifically, each of the claimants seeking Court Review purchased *and sold* all of their shares before April 27, 2017. (See Martino Decl., Ex. B). Under the Plan of Allocation, the Alleged Inflation Per Share was \$15.07 throughout the period of October 28, 2014 (the beginning of the Class Period) through April 27, 2017 (the date of the first corrective disclosure covered by the Settlement). (Martino Decl. ¶¶ 9, 16-17). Therefore, for any claimants who bought *and sold* before April 27, 2017, the inflation at the time of purchase (\$15.07) minus the inflation at the time of sale (\$15.07) calculates to zero. (Martino Decl., Ex. B). Their Recognized Loss is therefore zero. Said another way, each of these Claimants do not have a Recognized Loss because they sold before any corrective disclosure (i.e., while the stock price remained as inflated as at the beginning of the Class Period).

7. For these reasons, Lead Counsel recommends that the Court approve the Settlement Administrator's rejection of Disputed Claim Nos. 1-6.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Executed this 15th day of May 2023 at Wilmington, Delaware.

CASE NO.: 17-2978 (ZNQ) (LHG)

CLASS ACTION

**DECLARATION OF JOSEPH V. MARTINO IN SUPPORT OF CLASS
DISTRIBUTION**

I, Joseph V. Martino, hereby declare and state as follows:

1. I am a Project Manager employed by Epiq Class Action & Claims Solutions, Inc. (“Epiq”), the Claims Administrator, for the above captioned case. I am fully familiar with the actions taken by Epiq with respect to the Settlement as described below, and am competent to testify about them if called upon to do so.¹

2. Epiq was retained by Class Counsel in the above-captioned action (the “Litigation”), and appointed pursuant to Paragraph 10 of the Order Preliminarily Approving Settlement, Providing For Notice And Certifications dated August 25, 2021 (“Notice Order”), to serve as the Claims Administrator. As Claims Administrator, Epiq has, among other things: (i) mailed the Notice of Pendency and

¹ Unless otherwise defined herein, all capitalized terms shall have the same meaning as set forth in the Stipulation of Settlement dated August 19, 2021 (the “Settlement” or “Stipulation”).

Proposed Settlement of Class Action and the Proof of Claim and Release (together, the Notice and Proof of Claim and Release are referred to herein as the “Notice Packet”), to potential Class Members, brokers, and other nominees; (ii) published the Summary Notice of Proposed Class Action Settlement (“Summary Notice”); (iii) created and continues to maintain a settlement website where case-specific documents were posted at <https://www.SynchronossSettlement.com>; (iv) created and continues to maintain a toll-free helpline for inquiries during the course of the administration; (v) provided, upon request, additional copies of the Notice Packet to potential Class Members, brokers, and other nominees; and (vi) received and processed Proof of Claim Forms.

3. Pursuant to the Court’s Final Order and Judgment (the “Judgment”), the Court approved the Settlement and adopted its terms. Epiq has completed processing all Proof of Claim Forms received through March 8, 2023, in accordance with the Settlement, and now submits its administrative determinations accepting and rejecting the Proof of Claim Forms in preparation for a distribution of the Net Settlement Fund to Settlement Payment Recipients.

4. Epiq presents this declaration in support of distributing the Net Settlement Fund to Settlement Payment Recipients.

DISSEMINATION OF THE NOTICE PACKET

5. As more fully described in the Declaration of Joseph V. Martino

Regarding Notice Dissemination and Publication, dated November 3, 2021, and the Supplemental Declaration of Joseph V. Martino Regarding Notice Dissemination and Publication, dated November 30, 2021, from the inception of the case and in total, Epiq has mailed 73,315 Notice Packets to potential Class Members, brokers, and other nominees.

PROCEDURES FOLLOWED IN PROCESSING PROOFS OF CLAIM

6. Under the terms set forth in the Notice, each Class Member who wished to be eligible to receive a distribution from the Net Settlement Fund was required to complete and submit a properly executed Proof of Claim Form postmarked or submitted electronically no later than January 6, 2022, together with adequate supporting documentation for the transactions and holdings reported therein. Through March 8, 2023, Epiq has received 20,520 Proof of Claim Forms.

7. In preparation for receiving and processing Proof of Claim Forms, Epiq: (i) created a unique database to store Proof of Claim Form details and images of Proof of Claim Forms and supporting documentation; (ii) trained staff in the specifics of the project so that Proof of Claim Forms would be properly processed; (iii) formulated a system so that telephone and email inquiries would be properly responded to; and (iv) developed various computer programs and screens for entry of Class Members' identifying and holdings information.

8. Class Members seeking to share in the Net Settlement Fund were directed in the Notice to submit their Proof of Claim Forms to a specific post office box address. Notice Packets that were returned by the U.S. Postal Service as undeliverable were reviewed for updated addresses and, where available, new addresses were entered into the database and Notice Packets were mailed to the updated addresses. Any correspondence received at the post office box was reviewed and, when necessary, appropriate responses were provided to the senders.

PROCESSING PROOFS OF CLAIM

9. Through March 8, 2023, Epiq has received 1,764 Paper Proof of Claim Forms *via* US Mail, and 18,756 from Nominees. Once received, the Proof of Claim Forms were opened and prepared for scanning. This process included unfolding documents, removing staples, copying documents with nonconforming sizes, and sorting documents. This manual task of preparing the Proof of Claim Forms is very laborious and time-intensive. Once prepared, the Proof of Claim Forms were scanned into a database together with all submitted documentation. Each Proof of Claim Form was assigned a unique Proof of Claim Form number. Once scanned, the information from each Proof of Claim Form, including the claimant's name, address, account number/information from the supporting documentation, and holdings listed on the Proof of Claim Form, were entered into a database developed by Epiq to process the Proof of Claim Forms. Next, the documentation provided by each

claimant in support of his, her, or its Proof of Claim Form was reviewed to determine: (i) whether all persons and entities that submitted a Proof of Claims Form had purchased or otherwise acquired the public common stock of Synchronoss Technologies, Inc. (“Synchronoss” or “SNCR”) between October 2014 and June 13, 2017, inclusive; (ii) whether the transactional information entered on the Proof of Claim Form was supported by the documentation provided; (iii) that the claimant did not have any additional holdings not reflected on his, her, or its or Proof of Claim Form; (iv) that the name of the claimant matched the information on the documentation, or that additional documentation was provided to support any name changes; and (v) that the beneficial owner on the documentation, or a valid representative, was the person who signed the Proof of Claim Form.

10. In order to process the holding information detailed on the Proof of Claim Forms, Epiq utilized internal codes to identify and classify any deficiency or ineligibility conditions that existed within those Proof of Claim Forms. The appropriate codes were assigned to the Proof of Claim Forms as they were processed. For example, where a Proof of Claim Form was submitted by a claimant who did not have any Eligible Shares of SNCR common stock purchased during the class period, that Proof of Claim Form would receive a defective code that denoted ineligibility. Similar defective codes were used to denote other ineligible conditions, such as duplicate Proof of Claim Forms. These message codes would indicate to

Epiq that the claimant was not eligible to receive any payment from the Net Settlement Fund with respect to that Proof of Claim Form unless the deficiency was cured in its entirety. Examples of conditions of ineligibility are as follows:

ND	No Documentation Submitted for the Entire Proof of Claim
MD	Inadequate Documentation Submitted for the Proof of Claim
ZR	No Recognized Loss
ZD	No Recognized Loss due to defects
PO	Outside the Class Period
SG	No Signature
DP	Duplicate
BL	Balance Discrepancy
DV	Delivered Shares
EN	Ending Shares
PR	Partial Documentation
RC	Received Shares
IS	Ineligible Security

ADDITIONAL CLAIMS DEFICIENCIES

10. Many of the Proof of Claim Forms that Epiq received were deficient or ineligible for one or more reasons and therefore were subjected to the additional processing, correspondence and telephonic communications described in the section below entitled “The Deficiency Process.”

11. During the processing of Proof of Claim Forms, Epiq encountered “non-conforming” Proof of Claim Forms, which, in general, require significantly

more work than ordinary Proof of Claim Forms because of the information contained in or missing from the Proof of Claim Form or the manner in which the Proof of Claim Form was completed. Non-conforming Claims include, among other conditions: missing pages; no name or address; Proof of Claim Forms that are blank but submitted with documentation for Epiq to complete; and Proof of Claim Forms that are so materially deficient as to make what is being claimed unrecognizable.

THE DEFICIENCY PROCESS

12. Approximately 11,002 of the 20,520 Proof of Claim Forms, or approximately 53.62% of the Proof of Claim Forms submitted, were incomplete or had one or more defects or conditions of ineligibility, such as the Proof of Claim Form not being signed, not being properly documented, or indicating out of balance transactions for Eligible Shares in SNCR common stock. A majority of Epiq's efforts in handling administration involve claimant communications so that all claimants have a sufficient opportunity to cure any deficiencies and file a complete Proof of Claim Form. The "Deficiency Process," which primarily involved mailing letters to claimants and, in response, calls and emails to and from claimants, was intended to assist claimants in properly completing their otherwise deficient submissions so that they would be eligible to receive a distribution from the Net Settlement Fund.

13. If a Proof of Claim Form was determined to be ineligible, a Notice of Deficient or Ineligible Proof of Claim Submission (“Deficiency Notice”) was sent to the claimant describing the condition(s) of ineligibility in their Proof of Claim Form and what was necessary to cure any “curable” condition(s) in the Proof of Claim Form. The Deficiency Notice advised the claimant that the submission of the appropriate information and/or documentary evidence to complete the Proof of Claim Form had to be sent within twenty (20) days from the date of the letter, or the Proof of Claim Form would be recommended for rejection to the extent the condition of ineligibility was not cured. Epiq sent a total of 1,094 Deficiency Letters to claimants. Attached hereto as Exhibit A is an example of the Deficiency Letter. In addition, Epiq sent out emails to Nominees concerning deficiencies as well.

14. Claimants’ responses to the Deficiency Letters were scanned into Epiq’s database and associated with the corresponding Proof of Claim Forms. The responses were then carefully reviewed and evaluated by Epiq’s team of processors. If a claimant’s response corrected the condition(s), Epiq updated the database manually to reflect the change in status of the Proof of Claim.

DISPUTED CLAIMS

15. As noted above, claimants were advised that they had the right to contest Epiq’s administrative determination of deficiencies or ineligibility within twenty (20) days from the date of notification and that they could request that the

dispute be submitted to the Court for review. More specifically, such persons were advised in the Deficiency Notice that to dispute Epiq's determinations, they needed to provide a statement of reasons indicating their grounds for contesting the rejection, along with supporting documentation.

16. Six requests for Court Review have not been resolved or retracted. Epiq attempted to contact the claimants by e-mail. The claimants didn't respond to Epiq's attempt to contact them. As described above, the claimants were advised in writing that their claim was denied because their claim didn't calculate to a recognized loss as per the Plan of Allocation. Exhibit B attached hereto contains copies of the correspondence relating to the Disputed Claims, including copies of the Proof of Claim and supporting documentation, the Deficiency Notices sent by Epiq with respect to the Disputed Claim and the letters and documentation received by Epiq in response to the Deficiency Notices. The Disputed Claims are labeled as "Disputed Claim No. 1 through No. 6, and are discussed further below.²

17. **Disputed Claim No. 1 through Claim No. 6:** Epiq recommends that Claim No. 1 through Claim No. 6 should be rejected because the Claimants do not have recognized losses. The Claims were all initially deemed defective for not calculating to a recognized loss based on the Plan of Allocation. A letter was sent to

² For privacy reasons, the documents included in Exhibit B have been redacted to remove personal information such as street address, telephone numbers, social security/taxpayer identification numbers and financial account numbers.

the Disputing Claimants, advising of the defect. In their responses, the Disputing Claimants provided supplemental documentation. However, the documentation the Disputing Claimants provided did not address nor cure the defects, but instead requested Court Review of their claims. Epiq advised the Disputing Claimants that their Claim did have realized losses however, there was no recognized loss based on the Plan of Allocation. The Claimants maintained their request for Court Review “to be sure everything is in good order.” Attached hereto as Exhibit B is Disputed Claims No. 1 through No. 6.

UNTIMELY BUT OTHERWISE ELIGIBLE PROOFS OF CLAIM

18. Through March 8, 2023, Epiq received 754 Proofs of Claim Forms that were postmarked or submitted electronically after January 6, 2022. Epiq processed all untimely Proof of Claim Forms received through March 8, 2023, and 303 have been found to be otherwise eligible in whole or in part (the “Untimely But Otherwise Eligible Claims”). Epiq has not rejected any Proof of Claim Form received between January 6, 2022, and March 8, 2023, solely based on its untimely submission, and Epiq believes no delay has resulted from the provisional acceptance of the Untimely Otherwise Eligible Claims. To the extent they are eligible but for the fact that they were untimely, Epiq recommends that they be eligible for payment. Epiq also recommends that March 8, 2023 be the cutoff date.

19. However, there must be a final cut-off date after which no more Proof of Claim Forms will be accepted so that there may be a proportional distribution of the Net Settlement Fund and the distribution may be accomplished. Acceptance of additional Proof of Claim Forms or responses to Deficiency Notices received during the finalization of the administration would delay the distribution. Accordingly, no Proof of Claim Forms received after March 8, 2023 will be eligible for payment for any reason whatsoever as completing the processing of these Claims will delay the distribution.

QUALITY ASSURANCE

20. An integral part of all of Epiq's settlement administration is its quality assurance review. Epiq's personnel worked throughout the entire administration process to ensure that Proof of Claim Forms were processed properly; that ineligibility message codes were properly applied to Proof of Claim Forms; that Deficiency Notices were mailed to the appropriate claimants; and that Epiq's computer programs were operating properly.

21. In support of the work described above, Epiq staff designed, implemented, and tested the following programs for this administration: (i) data entry screens that store Proof of Claim Form information (including all holdings data included on each Proof of Claim Form and in any supporting documentation), attach message codes and, where necessary, apply text to denote conditions existing within

the Proof of Claim Form; (ii) screens for the analyst to review images of the Proof of Claim Form and any supporting documentation provided; and (iii) programs to generate various reports throughout and at the conclusion of the administration, including lists of all eligible and ineligible Proof of Claim Forms.

22. Epiq's Securities Team performed a final quality control check once all of the accepted Claims were processed, Deficiency Notices were mailed, and deficiency responses were reviewed and processed, to ensure the correctness and completeness of all of the Proof of Claim Forms processed, before Epiq prepared its final reports to Class Counsel. Here, in connection with this quality assurance wrap-up, Epiq: (i) confirmed that Proof of Claim Forms that are recommended for approval have no messages denoting ineligibility; (ii) confirmed that Proof of Claim Forms that are recommended for rejection have messages denoting ineligibility; (iii) confirmed that all Proof of Claim Forms requiring "deficiency" notices were sent such notices; (iv) performed a sample review of deficient Proof of Claim Forms; (v) reviewed a sampling of Proof of Claim Forms with high amounts of eligible shares; and (vi) sampled Proof of Claim Forms that had been determined to be ineligible, including those with no eligible shares held, in order to verify that all holdings had been captured correctly.

23. As part of its due diligence in processing the Claims, Epiq conducted a questionable claim filer search of all Proof of Claim Forms filed in the Settlement.

Epiq maintains a database of known questionable filers. This database contains names, addresses, and aliases of individuals who have been investigated by government agencies for questionable claim filing as well as names and contact information, compiled from previous settlements that Epiq has administered, of individuals from whom fraudulent claims were received. Epiq updates this database on a regular basis. The database for the Settlement was searched for all individuals identified in our questionable claim filer database. Epiq performed searches based on name, aliases, address, and city/zip code. In addition, all of Epiq's claim processors are trained to identify any potentially inauthentic documentation when processing claims, including for claims submitted by claimants not previously captured in our database as questionable claim filers. Processors are instructed to flag claims as questionable claims and route them to the project manager and Securities Team for review. No Proof of Claim Forms were located as a result of these searches.

EXCLUDED PERSONS

24. Epiq also reviewed all Proof of Claim Forms to ensure that they were not submitted by, or on behalf of, persons who were excluded from the Settlement Class by definition, to the extent that the identities of such persons or entities were known to Epiq through the list of defendants and other excluded persons and entities set forth in the Stipulation and the Notice, as well as through claimants' certifications

on the Proof of Claim Forms. As a result of this review, no claims by an excluded person were identified.

DISPOSITION OF PROOFS OF CLAIM

25. Epiq has completed the processing of the 20,520 Proof of Claim Forms that were received through March 8, 2023, and has determined that 10,084 are acceptable in whole or in part, and 10,436 should be wholly rejected because they are ineligible.

26. The 10,436 wholly rejected Proof of Claim Forms are recommended for rejection by the Court for the following reasons:

Summary of Rejected Proofs of Claims

<u>Reason for Rejection</u>	Number of Proofs of <u>Claim</u>
Deficient Proof of Claim with Condition of Ineligibility Never Cured	2,421
Duplicate Proof of Claim	114
Proof of Claim Withdrawn	130
No Recognized Loss	7,771
TOTAL	10,436

27. A list of the Proof of Claim Forms submitted and Epiq's recommendation as to their disposition is contained in the Administrator's Report attached hereto as Exhibit C. Exhibit C-1, entitled "Timely Eligible Claims," lists all timely filed, provisionally accepted Proof of Claim Forms, and states their Eligible Shares. Exhibit C-2, entitled "Untimely But Otherwise Eligible Claims," lists all untimely-filed, provisionally accepted Proof of Claim Forms and states their Eligible Shares. Exhibit C-3, entitled "Rejected Claims," lists all wholly rejected Proof of Claim Forms and states the reason for their rejection. For privacy reasons, Exhibit C does not include any names, addresses, taxpayer IDs, social security or social insurance numbers. Rather, Exhibit C provides only the claimant's claim number and Eligible Shares or reason for rejection.

28. Epiq has determined that 10,084 Proof of Claim Forms should be accepted. The Proof of Claim Forms recommended for acceptance represent total Recognized Loss ("RL") for Eligible Claims of \$343,022,719.34. Of that total, \$291,925,754.18 is for Timely Eligible Claims and \$51,096,965.16 is for Untimely But Otherwise Eligible Claims. According to the Plan of Allocation, each Settlement Payment Recipient shall be allocated a *pro rata* share of the Net Settlement Fund based on his, her, or its Eligible Recognized Loss in comparison to the total Eligible Recognized Loss of all Settlement Payment Recipients. Upon approval by the Court, Epiq will prepare and mail checks (or wire transfers where applicable) to Settlement

Payment Recipients for their payment amount subject to the provisions of the Court-approved distribution plan.

FEES AND DISBURSEMENTS

29. Epiq agreed to be the Claims Administrator in exchange for payment of its fees and out-of-pocket expenses. Class Counsel received regular reports of all of the work Epiq performed with respect to provision of notice and administration of the Settlement and authorized the claims administration work performed herein.

30. As of March 8, 2023, Epiq has invoiced \$306,613.26 for its fees, costs and reimbursement for research and mailing costs and fees to Brokers/Nominees to administer the settlement. To-date, Epiq has received payments totaling \$141,165.56 and has an outstanding balance of \$165,447.70. Epiq estimates its fees and expenses to conduct the initial distribution to be \$29,619.50 (attached hereto as Exhibit D). Epiq therefore estimates its total outstanding fees and costs, including future work to perform the initial distribution, to be \$195,067.20, and Epiq estimates its total fees and costs for administrating the settlement to be \$336,232.76, excluding any fees and costs to be incurred relative to any additional distribution(s) that may be needed.³

³ The amounts reserved for the fees and expenses of Epiq will remain in the Settlement Fund but will be excluded for purposes of calculating the initial

DISTRIBUTION PLAN FOR THE NET SETTLEMENT FUND

31. Epiq recommends the following distribution plan (the “Distribution Plan”):

(a) Epiq will distribute 100% of the available balance of the Net Settlement Fund – after deducting any outstanding Notice and Administration costs, the estimated costs to conduct the initial distribution, Taxes, and Tax Expenses – to Settlement Payment Recipients using the *pro rata* amount calculated using the Plan of Allocation provided in Pages 11-16 of the Notice.

(b) In order to encourage Settlement Payment Recipients to promptly deposit their payments, all distribution checks will bear a notation “DEPOSIT PROMPTLY, VOID AND SUBJECT TO RE-DISTRIBUTION IF NOT NEGOTIATED WITHIN 90 DAYS OF DISTRIBUTION.”⁴

distribution. Any excess of the reserved fees and expenses above actual costs will be available for subsequent distributions to Settlement Payment Recipients.

⁴ For Settlement Payment Recipients whose checks are returned as undeliverable, Epiq will review for updated address, and where available, use the new address to update the database accordingly and re-issue a distribution check to the Settlement Payment Recipient at the new address. In the event a Settlement Payment Recipient loses or damages his, her or its check, or otherwise requires a new check, Epiq will issue replacements. Distribution re-issues will be undertaken only upon written instructions from the Settlement Payment Recipient, provided that the Settlement Payment Recipient returns the previous check where appropriate. For all checks, Epiq will void the initial payment prior to re-issuing a payment. In order not to delay further distributions to Settlement Payment Recipients who have timely negotiated their checks, Epiq’s outreach program described in the preceding

(c) Settlement Payment Recipients who do not negotiate their distribution checks within the time allotted or on the conditions set forth in footnote 3 will irrevocably forfeit all recovery from the Settlement. The funds allocated to all such stale-dated checks will be available to be distributed to other Settlement Payment Recipients if Epiq determines that it is cost-effective to conduct a second distribution. Notice of Incomplete Proof of Claim Submission

Dear Claimant:

We received the Proof of Claim and Release Form ("Claim") that you submitted in connection with the *In Re Synchronoss Technologies, Inc. Securities Litigation*. We have determined, based on our review of your Claim, that the Claim is deficient (which is curable) or ineligible for the reason(s) identified below. In order to resolve the condition(s) within your Claim, you must submit a written response (with any required documentation), as specified below, received no later than 20 days from the date of this notice. Your response deadline is printed at the top of this notice. Please include a copy of this notice with your response. **If you fail to respond by the deadline set forth above or if your response fails to cure the condition(s) identified below, this Claim will be rejected to the extent that that/those condition(s) remain uncured. PLEASE NOTE: This is the only notice you will receive with respect to this Claim.**

Ineligibility Condition: No Recognized Claim.

In accordance with the Court-approved Plan of Allocation set forth in the Notice (which is available on the Settlement website), the Claim referenced above does not calculate to a Recognized Claim and therefore is not eligible to receive a distribution from the Net Settlement Fund. Please be aware that Recognized Claim is not the same as market loss. It is possible to have a market loss, in which you experience a loss in value of your stock, and still have no Recognized Claim under the Plan of Allocation. In addition, if you had an overall market gain from your transactions in Synchronoss common stock during the Class Period, your Recognized Claim is \$0.00. Unless you had additional transactions in Synchronoss common stock during the Class Period (i.e., between October 28, 2014, through June 13, 2017, both dates inclusive) that are not reflected in your Claim, this is NOT a curable deficiency.

How to Resolve: You can resolve this condition of ineligibility by submitting additional transactions in Synchronoss common stock during the Class Period that were not previously reflected in your Claim and that make your Claim calculate to a Recognized Claim. You must also support any additional transactions with acceptable documentation. Acceptable documentation includes securities brokers' confirmation slips, month- and year-end account statements, or similar documentation. (Self-generated documents are not acceptable.)

PLEASE NOTE: Curing this condition of ineligibility is an absolute requirement in order for your Claim to be eligible to participate in the Settlement. If you have other deficiencies and cure them, your Claim still will not be eligible, even for "partial acceptance," unless this deficiency is cured. Your Claim must calculate to a Recognized Claim under the Plan of Allocation in order for you to be eligible to receive a distribution.

To resolve the condition(s) listed above, please follow the directions stated above. Your Claim must also calculate to a Recognized Claim under the Court-approved Plan of Allocation set forth in the Notice in order to receive payment from the Net Settlement Fund. If you disagree with the condition(s) identified in this notice, you may contact us for assistance and/or request Court review of our administrative determination regarding your Claim.

To request Court review of your Claim, you must send a letter to us received no later than 20 days from the date of this notice. Your letter must (1) include a copy of this notice; (2) specifically state that you request Court review of the full or partial rejection of the Claim; (3) state your argument(s) for why you are contesting the full or partial rejection of the Claim; and (4) include any and all documentation supporting your argument(s). PLEASE NOTE: COURT REVIEW SHOULD ONLY BE SOUGHT IF YOU DISAGREE WITH THE CLAIMS ADMINISTRATOR'S DETERMINATION REGARDING YOUR CLAIM AND WISH TO HAVE THE COURT REVIEW YOUR CLAIM.

If you have any questions about this notice or if you want to confirm the status of your Claim after you submit a response to this notice, please contact us at the toll-free number or email address noted above. More information can also be found at www.SynchronossSettlement.com.

Synchronoss Securities Settlement
c/o EPIQ
P.O. Box 5406
Portland, OR 97228-5406

Dear Synchronoss Securities Settlement Claims Administrator,

I am requesting that the Court review the enclosed as rectification of my incomplete proof of claim submission. Per the correspondence I received from you, apparently I did not submit the complete documentation for the transaction mentioned in your letter.

Enclosed is all the information that [REDACTED] applies both for the purchase and the selling of this security.

purchase you claimed on the claim form of 200 shares back in March 30, 2015. It also showed the 200 share sale back on May 28, 2015.

However, based upon the Court approved Plan of Allocation found within the Notice document (starting on page 11) which can be found at the case website www.synchronosssettlement.com/home/documents.

We determined there was no recognized loss as per the Court approved Plan of Allocation (see page 13 of the Notice which states the following):

The Plan of Allocation was developed based on the alleged inflation per share shown below, as well as the statutory 90-day look-back amount of \$15.85.² A Recognized Claim is calculated for each Class Member who purchased Synchronoss common stock during the Class Period based on when that claimant purchased and sold shares, or retained shares beyond the end of the Class Period.

Alleged Inflation Period	Alleged Inflation per Share
<u>Oct. 28, 2014 - Apr. 27, 2017</u>	\$15.07
Apr. 28, 2017 - May 12, 2017	\$3.41
May 13, 2017 - May 22, 2017	\$1.74
May 23, 2017 - June 13, 2017	\$0.79
June 14, 2017 - Present	\$0.00

Based on the formulas presented below, a "Recognized Loss Amount" will be calculated for each purchase or acquisition of Synchronoss common stock during the Class Period that is listed on the Proof of Claim and Release form and for which adequate documentation is provided. If the Recognized Claim calculates to a negative number or zero under the formula below, that Recognized Claim will be zero.

For shares of Synchronoss common stock purchased or acquired on or between October 28, 2014, through and including June 13, 2017, the Recognized Loss per share shall be as follows:

- a) If sold prior to the close of trading on June 13, 2017, the Recognized Loss amount is equal to the lesser of:
 - i. The inflation at the time of purchase minus the inflation at the time of sale; and
 - ii. The purchase price minus the sales price.

A realized loss and recognized loss are different. The Recognized loss Amount is determined by the Plan of allocation. A realized loss is what you actually sold the stock for either a profit or loss. In this case, it appears the stock you sold was at a loss.

If you have any other transactions or documents in regards to the claim number #XXX you submitted please send it to me at joseph.martino@epiglobal.com and I can look again.

Based on the above explanation *please advise if you wish to further proceed with Court Review.*

I hope this helps. If you have any additional questions, please feel free to contact me anytime.

Dear Claimant,

I am the Project Manager on the Synchronoss Settlement Administration. I looked over your Claim # XXX you submitted as you requested Court Review. All your documentation is in order as it showed the purchase you claimed on the claim form of 220 shares back in June 19, 2015. It also showed the 220 share sale back on July 28, 2015.

However, based upon the Court approved Plan of Allocation found within the Notice document (starting on page 11) which can be found at the case website www.synchronosssettlement.com/home/documents.

We determined there was no recognized loss as per the Court approved Plan of Allocation (see page 13 of the Notice which states the following):

Email response sent to the Claimant on Feb. 22, 2023 in response to Court Review Request. No response back from the Claimant.

Dear Claimant,

I am the Project Manager on the Synchronoss Settlement Administration. I looked over your Claim # XXXX you submitted as you requested Court Review. All your documentation is in order as it showed the purchase you claimed on the claim form of 140 shares back in September 24, 2015. It also showed the 140 share sale back on July 8, 2016.

However, based upon the Court approved Plan of Allocation found within the Notice document (starting on page 11) which can be found at the case website www.synchronosssettlement.com/home/documents.

We determined there was no recognized loss as per the Court approved Plan of Allocation (see page 13 of the Notice which states the following):

The Plan of Allocation was developed based on the alleged inflation per share shown below, as well as the statutory 90-day look-back amount of \$15.85.² A Recognized Claim is calculated for each Class Member who purchased Synchronoss common stock during the Class Period based on when that claimant purchased and sold shares, or retained shares beyond the end of the Class Period.

Alleged Inflation Period	Alleged Inflation per Share
<u>Oct. 28, 2014 - Apr. 27, 2017</u>	\$15.07
Apr. 28, 2017 - May 12, 2017	\$3.41
May 13, 2017 - May 22, 2017	\$1.74
May 23, 2017 - June 13, 2017	\$0.79
June 14, 2017 - Present	\$0.00

Based on the formulas presented below, a "Recognized Loss Amount" will be calculated for each purchase or acquisition of Synchronoss common stock during the Class Period that is listed on the Proof of Claim and Release form and for which adequate documentation is provided. If the Recognized Claim calculates to a negative number or zero under the formula below, that Recognized Claim will be zero.

For shares of Synchronoss common stock purchased or acquired on or between October 28, 2014, through and including June 13, 2017, the Recognized Loss per share shall be as follows:

- a) If sold prior to the close of trading on June 13, 2017, the Recognized Loss amount is equal to the lesser of:
 - i. The inflation at the time of purchase minus the inflation at the time of sale; and
 - ii. The purchase price minus the sales price.

A realized loss and recognized loss are different. The Recognized loss Amount is determined by the Plan of allocation. A realized loss is what you actually sold the stock for either a profit or loss. In this case, it appears the stock you sold was at a loss.

If you have any other transactions or documents in regards to the claim number # XXXX you submitted please send it to me at joseph.martino@epiglobal.com and I can look again.

Based on the above explanation please advise if you wish to further proceed with Court Review.

I hope this helps. If you have any additional questions, please feel free to contact me anytime.

Regards,

-Joe

Civil Action No. 17-2978 (ZNQ)

Class Action

THIS DOCUMENT RELATES TO:

ALL ACTIONS

**[PROPOSED] ORDER APPROVING DISTRIBUTION OF THE
NET SETTLEMENT FUND**

WHEREAS, an action is pending before this Court styled *In Re Synchronoss Technologies, Inc. Securities Litigation*, Civil Action No. 17-2978 (the “Action”);

WHEREAS, on December 10, 2021, this Court issued its Final Judgment and Order of Dismissal With Prejudice, finally approving the class Settlement reached between the parties and directing the implementation of the parties’ Settlement Agreement, including the Plan of Allocation to distribute the Net Settlement Fund (ECF No. 175);

WHEREAS, Lead Plaintiff now requests and order from this Court to

- (i) accept the administrative determinations by Epiq Class Action & Claims Solutions, Inc. (the “Claims Administrator”) concerning the acceptance and rejection of claims submitted by putative Class members;
- (ii) authorize the Claims Administrator to deem timely certain claims filed after the Claims submission deadline;
- (iii) bar any claims submitted after the Claims submission deadline, other than those listed on Exhibit C-1 to the Declaration of Joseph Martino dated May 8, 2023;
- (iv) accept the Claims Administrator’s calculations of Recognized Loss for Authorized Claimants in accordance with the Plan of Allocation that was approved by the Court on December 10, 2021 (ECF No. 253);

- (v) authorize distribution of the Net Settlement Fund to Authorized Claimants whose payments equal or exceed \$10.00 on a *pro rata* basis based on the Authorized Claimants' Recognized Losses;
- (vi) for any funds remaining a reasonable period of time following the initial distribution of the Net Settlement Fund, after payment of claims administration costs as ordered herein, and after reasonable and diligent efforts by the Claims Administrator to contact claimants who have not cashed their payments, authorize the Claims Administrator to consult with Lead Counsel to determine if a redistribution of the remaining Net Settlement Fund to Class Members who cashed their initial distribution check is cost effective, after taking into consideration payment of any additional costs and expenses that would be associated with a redistribution;
- (vii) release any additional claims against the Net Settlement Fund, Lead Plaintiff, Lead Counsel, or any person or entity involved with the administration and distribution of the Net Settlement Fund; and
- (viii) authorize the destruction of Proof of Claim forms and related documents after one year, for hard-copy documents and three years, for electronic documents.

WHEREAS, the Court has reviewed the letter from Lead Plaintiff's Counsel requesting approval of the distribution of the Net Settlement Fund dated May 16, 2023, the Declaration of Rebecca A. Musarra dated May 15, 2023, and the Declaration of Joseph Martino dated May 8, 2023 and exhibits thereto, this Court finds that there are sufficient and valid grounds to grant the relief requested,

NOW, THEREFORE, IT IS HEREBY ORDERED:

1. The Claims Administrator has appropriately and correctly applied the Plan of Allocation to the Claims submitted by putative Class members. The Court accepts the Claims Administrator's administrative determinations concerning the acceptance and rejection of those Claims.

2. The Court has considered the six Disputed Claims discussed in ¶¶ 15-17 of the Declaration of Joseph Martino. Upon consideration of the claimants' objections, the Claims Administrator's administrative determination to reject the Claims, and Lead Counsel's review of, and recommendation concerning, the Disputed Claims, the Court has determined that the rejection of these Claims was appropriate and was compelled by the Plan of Allocation (as set forth in the Notice) because the Claims do not present a Recognized Loss. The Court therefore affirms the determination by the Claims Administrator and Lead Counsel that the disputed claims be rejected, and overrules the claimants' participation in the Settlement.

3. The Court authorizes Claims Administrator to deem timely certain Claims filed after the Claims submission deadline and to deem the claimants who submitted these claims as Authorized Claimants.

4. The Court bars any claims submitted after the Claims submission deadline, other than those listed on Exhibit C-1 to the Martino Declaration.

5. The Court accepts the Claims Administrator's calculations of Recognized Loss for Authorized Claimants in accordance with the Plan of Allocation that was approved on December 10, 2021 (ECF No. 175).

6. The Court authorizes distribution of the Net Settlement Fund to Authorized Claimants whose payments equal or exceed \$10.00 on a *pro rata* basis based on the Authorized Claimants' Recognized Losses.

7. For any funds remaining a reasonable period of time following the initial distribution of the Net Settlement Fund, after payment of claims administration costs as ordered herein, and after reasonable and diligent efforts by the Claims Administrator to contact claimants who have not cashed their payments, authorize the Claims Administrator to consult with Lead Counsel to determine if a redistribution of the remaining Net Settlement Fund to Class Members who cashed their initial distribution check is cost effective, after taking into consideration payment of any additional costs and expenses that would be associated with a redistribution.

8. At such time as Plaintiff's Counsel, in consultation with the Claims Administrator, determine that further redistribution of any unclaimed funds remaining in the Net Settlement Fund is not cost effective, any *de minimus* residual amount may be donated to the Investor Protection Trust.

9. A payment in the amount of \$195,067.20 from the Settlement Fund for the Claims Administrator's outstanding balance and estimates of its fees and expenses to be incurred in connection with the initial distribution of the Net Settlement Fund is hereby authorized. If the incurred fees and expenses for the initial distribution is lower than the estimate, the Claims Administrator shall promptly reimburse the Settlement Fund.

10. The Court releases any additional claims against the Net Settlement Fund, Lead Plaintiff, Lead Counsel, or any person or entity involved with the administration and distribution of the Net Settlement Fund.

11. The Court authorizes destruction of Proof of Claim forms and related documents within one year, for hard-copy documents, and three years, for electronic documents.

12. The Court retains jurisdiction to consider any further applications concerning the administration of the Settlement, and such other further relief as this Court deems appropriate.

IT IS SO ORDERED.
